

Programmable Thermostat and The Nest

INCENTIVE PROGRAM ENDING DECEMBER 31, 2016

- HOME ENERGY IMPROVEMENTS
- **PROGRAMMABLE THERMOSTAT**
- CENTRAL AIR TUNE-UP
- RESIDENTIAL TREE POWER
- ENERGY STAR APPLIANCES

Reduce your heating and air conditioning costs easily and dramatically with a programmable thermostat or the Nest. The use of such technology allows you to set the temperature back at night or while you are away from home. You can easily save 10% - 20% of your heating and cooling costs with a programmable thermostat or the Nest

Up to \$75 Chamber Check incentive is offered to encourage the purchase and installation of a programmable thermostat. Or the Nest.

Eligibility:

- This incentive is available to residential customers with a valid River Falls Municipal Utilities electric account.
- The thermostat or Nest must be installed prior to receiving a cash incentive. You can install the thermostat or Nest yourself or have it installed professionally.
- The purchase of the technology is eligible for a 50% refund, with a maximum of \$75 of the actual purchase price.

Programmable technology offer a broad range of setback options throughout the day

and week. Ease of programming varies from one brand to another, so look carefully before purchasing.

How to Apply:

1. To qualify for an incentive, the applicant must meet all of the eligibility conditions

- and complete the incentive application on the reverse side.
2. Attach a copy of the sales receipt or paid invoice indicating the date of purchase, store name and who installed the technology.
3. To guarantee there will be incentive money available, call us at 426-3467.
4. Drop off your completed application at our office or mail it to River Falls Municipal Utilities, 222 Lewis Street, River Falls, WI 54022.
5. Chamber Check will be mailed in 4-6 weeks after receipt of complete application.

Through your public power utility, these programs are proudly supported by POWERful Choices!

POWERful Choices! is a community-wide effort to instill a strong conservation ethic while demonstrating the effectiveness of energy efficiency, conservation and renewable resource development.

Programming Your Thermostat

The pre-programmed settings that come with programmable thermostats are intended to deliver savings without sacrificing comfort. Depending on your family's schedule, you can see significant savings by sticking with those settings or adjust them as appropriate for your family.

If you are not sure how to properly set your programmable thermostat, contact River Falls Municipal Utilities' Conservation and Efficiency Coordinator, Mike Noreen, at 715-426-3467 and he will come to your home at your convenience and program your thermostat for free!

CERTIFICATION AND AGREEMENT

River Falls Municipal Utilities (RFMU) makes no warranties, expressed or implied, with respect to any equipment purchased and/or installed – including, but not limited to, any warranty of merchantability or fitness for purpose. In no event shall RFMU be liable for any incidental or consequential damages. RFMU does not guarantee that the purchase and installation of your programmable thermostat will result in energy cost savings. This program has a limited budget, and applications will be accepted on a first-come, first-served basis, until allocated funds are spent. This program may be modified or discontinued at any time without notice.

I understand that this offer provides an incentive of a 50% refund, with a maximum of \$75 of the actual purchase price of the programmable thermostat (also known as a setback thermostat). The thermostat **MUST** be installed and programmed prior to receiving an incentive payment. The incentive payment only applies to the cost of the thermostat and does not apply to the cost of installation (if installed professionally). This incentive is available only to customers of RFMU.

I certify that all statements made in this application are correct to the best of my knowledge. I agree to the terms and conditions of this offer as set forth on this application. I agree that RFMU reserves the right to verify sales receipts and installation before issuing incentives. HOW TO APPLY: Please attach a copy of the sales receipt or paid invoice for the programmable thermostat indicating date of purchase, store name and who installed the thermostat. Purchase, installation and programming and application must be completed by December 31, 2016.
