### HISTORIC PRESERVATION COMMISSION JUNE 16, 2021 STAFF REPORT

#### AGENDA ITEM

##### 1. Power Plant – Discussion only

At the April meeting, the HPC approved the MOU related to the power plant. Per discussion at that meeting, the HPC intends to continue to move forward with landmark designation of the power plant building/site. Administration would like to again request that this work be paused because the intent of the MOU was to provide the HPC a place at the table related to conversations about the power plant. HPC has requested that Scot Simpson, City Administrator, meet with the Commission to discuss the power plant. This meeting was originally scheduled for June 9<sup>th</sup>, however, it had to be rescheduled to June 16<sup>th</sup> due to scheduling conflicts.
