

POWERful Choices! Dashboard

For July 2017

Focus on Energy Program

The total customer incentives provided for July compared to the customer incentives collections from Focus on Energy.

The year-to date customer incentives provided compared to the customer incentives collections from Focus on Energy.

Renewable Energy Blocks

Renewable energy blocks are sold at \$3 for 300kWh of renewable energy.

POWERful Choices! Dashboard

Street Light Conversion Program

Energy Savings

Monthly cumulative percentage of kilowatt hours saved per customer sector.

This change is another example of our City leading by example in energy efficiency and environmental stewardship. The goal is to have 70 percent of the street lights converted to LED by 2018.

kWh Saved

Energy savings resulting from programs such as upgrades to lighting, motors, HVAC, variable frequency drives, and refrigeration. All customer sectors are included.
